ii. At what time of the year were dogs used in transport? What advantage did the dogs have compared to the light horse-drawn vehicle? (Consider photos 1 and 4)

iii. Do you support the use of animals for transportation at the beginning of 20th century? and today? State your reasons.

iv. Consider photos 2 and 3. Establish differences between these cars and the ones we use today. *(Do not forget to consider the registration plate.)*

B1c. FASHION

If there is one thing that has changed from 100 years ago it is fashion. Look at the photos taken in 1906 and 1905. As you can see, the hats, the dress length, the accessories and the designs were all different from the style in fashion today.
